Who We Are

WE ARE A STYLISH, SOCIAL SPACE TO CREATE AND
CONNECT WITH YOUR *community.*

WE ARE OPEN TO *members and Non-Members.*

We show live sport, independent cinema, community events and comedy in our 2 screening rooms. We have live music every month. We host pop-ups.

Our Open Kitchen serves wild and wonderful food all day and our coffee and cocktails are pretty epic. We care about the world and our kids futures. We compost our food waste on site and give it back to the communities we buy from.

THERE'S NOTHING ELSE LIKE US HERE.

Membership

We're not about who you know. Anyone can become a member and we don't have a membership committee. We create a social space for people that ask for more; more energy, more joy, more connections.
