Who We Are

We are a stylish, social space to create and connect with your *community*.

We are open to members and non-members.

We show live sport, independent cinema, community events and comedy in our 2 screening rooms. We have live music every month. We host pop-ups.

THOV's opening follows a year-long refurbishment of the venue, with the renovation being carefully curated to feature the works of many local artists and makers. The end-result? A multi-use space incorporating an Open Kitchen restaurant, events space, bar, outdoor bar, 2 cinema screening rooms, a co-working space and deli.

There's *nothing else* like us here.

Our Story

The Hub on Verulam opened its doors in June 2022, after a year-long refurbishment carried out by local owners Alex Addison & Hannah Petrouis. The building is steeped in history and character, with low hanging beams and industrial features throughout, a nod to its previous use as carriage storage and stable-hands accommodation for wealthy travellers from London.

The 6000sq.ft space now encompasses a multitude of offerings, including 2 state-of-the-art screening rooms, an open kitchen, indoor bar, outdoor bar, co-working space and workshop area. At its core, the concept is designed to bring the community together, on many different days for many different reasons.

Membership

We're not about "who you know."

Anyone can become a member and we don't have a membership committee. We create a social space for people that ask for more: more energy, more joy, *more connections.*

*The opportunities are endless:
Work in the Mezz on Monday.
Watch a game in the Terrace on Tuesday.
Hit the Deli for snacks on Wednesday.
Catch a film in The Box on Thursday.
Sip a cocktail at the bar on Friday.
Craft clay in the Nursery on Saturday.
Get brunch in the Yard on Sunday.*
