Who We Are

We are a stylish, social space to create and connect with your *community*.

We are open to members and non-members.

We show live sport, independent cinema, community events and comedy in our 2 screening rooms. We have live music every month. We host pop-ups.

THOV's opening follows a year long refurbishment of the venue, with the renovation being carefully curated to feature the works of many local artists and makers. The end-result? A multi-use space incorporating an Open Kitchen restaurant, events space, bar, outdoor bar, 2 cinema rooms, a co-working space and deli.

There's *nothing else* like us here.

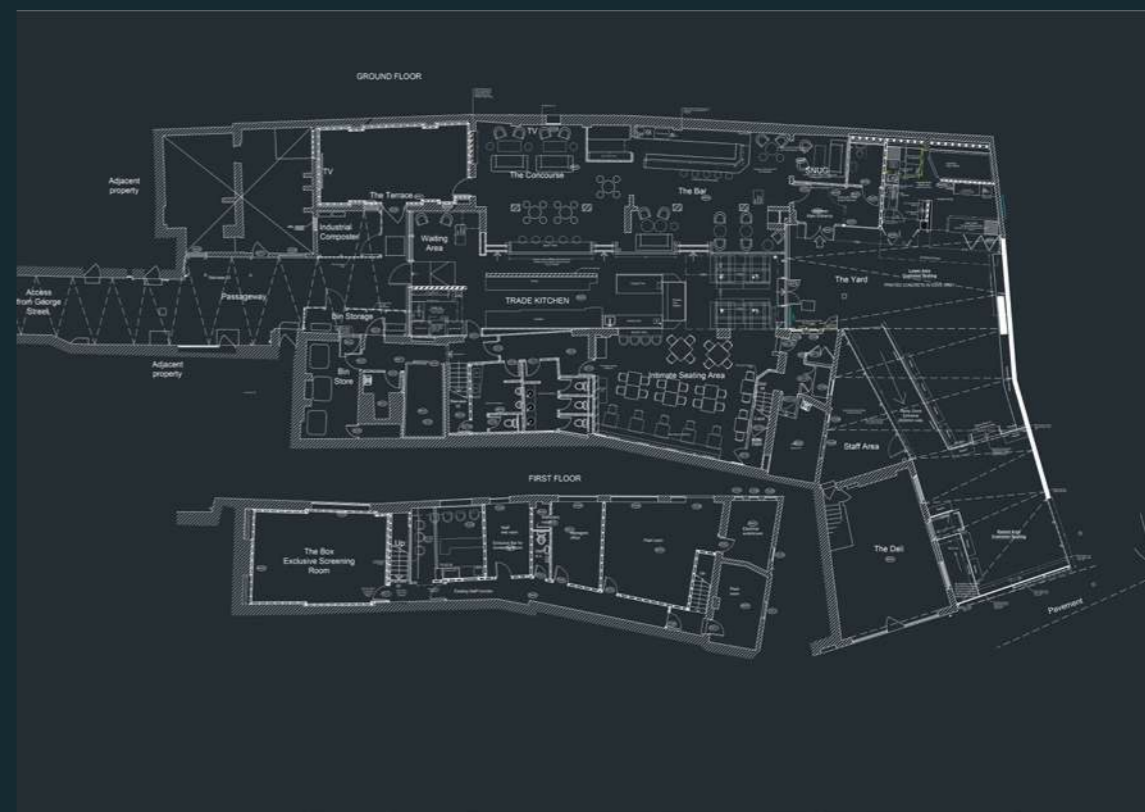

Our Story

The Hub on Verulam: a next generation social space for the local community.

Created by founders Alex Addison and Hannah Petrouis, located at 5 Verulam Road, the reimaged 6,000 sq. ft. space has been designed to challenge everything we think we know about restaurants, members clubs, co-working spaces and sports bars.

The Hub opening follows a tear-long renovation of one of St.Albans' most characterful venues - the former Loch Fyne Building - previously owned by Greene King. The building works have been carried out by HK Interiors. The interior fixture and fittings feature products by many local businesses, including Josef&Rosco carpentry, Emma Louise Payne Ceramics and floristry by Avenues Flowers.

Membership

We're not about "who you know."

Anyone can become a member and we don't have a membership committee. We create a social space for people that ask for more: more energy, more joy, more connections.

The opportunities are endless:

Work in the Mezz on Monday. Watch a game in the Terrace on Tuesday. Hit the Deli for snacks on Wednesday. Catch a film in The Box on Thursday. Sip a cocktail at the bar on Friday. Craft clay in the Nursery on Saturday. Get brunch in the Yard on Sunday.

General Membership

£1395

per company per annum

Payment plans and monthly direct debits are not available

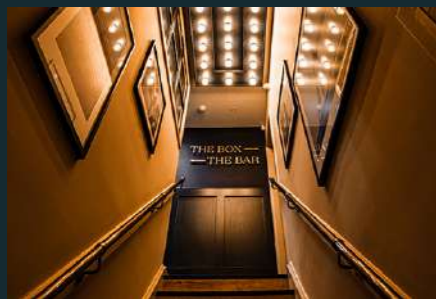

* A £25 administrative joining fee will apply to year 1 of membership only

Member Events

Each month members are invited to a members-only event, designed to quench the communities thirst for knowledge, networking and entertainment.

Events take place in either of our two screening rooms, in the Bar or Nursery areas. Places at each event are available on a first come first serve basis and if availability allows leading up to the deadline, members are able to invite a +1.

Member Private Hire

From birthday celebrations to business conferences, The Hub on Verulam is well equipped to host all kinds of events, in a wow-factor setting in the centre of St Albans.

Situated a stone's throw from the clocktower, and within easy reach of St Albans city station, an 18-minute journey to London St Pancras, The Hub on Verulam enjoys convenient travel links for visitors both local and far.

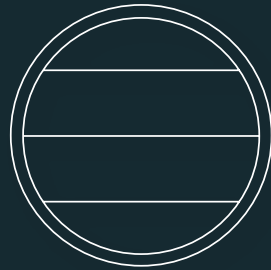

The building is steeped in history and retains many of its industrial features. Following its recent renovation and opening in 2022, these features are complimented by plush fabrics and bohemian details, providing a breath-taking backdrop for you and your guests to enjoy.

Our experienced events team will guide and advise you through the planning process, from conception to completion, leaving no question unanswered along the way.

As a member you are also able to exclusively private hire the venue on select dates throughout the year. For more information on private hire of any of the spaces, or the entire venue, please request a copy of our private hire brochure.
