

COCKTAILS

The Hub on Verulam was born from a passion for creating something truly unique, an experience that goes beyond just great food and drink.

All of our cocktails are made without refined sugar. Instead, we use natural sweeteners and house-made flavoured agaves.

Looking for something not on the menu? Just ask: Our bartenders are happy to craft off-menu classics made to perfection.

MEMBER'S PERK

From Wednesday to Saturday, 5-7 PM, we're serving up all Margaritas and Martinis for our members at half the price
